## Privacy Policy

Any personal or contact information you share with us on this website is stored locally and is used by Lighthouse Teacher Services only for the purpose of contacting you with information about the services we offer. We always treat your information with respect and confidentiality. Adding your information to a contact or enrollment form implies agreement to receive such contact. Accessing this website implies agreement with any tracking used by the platforms involved. While this policy may be updated as necessary, your privacy is always our priority.
